Dear Service Club,

I received your readings of the "Bulletin" and "On the Campus" and was very happy to receive them. I was nice to read about the school and its doings! By them it seems that ~~the~~ Bryant College is well represented in the armed service.

I have some additional news to add to your service! I graduated from Officers Class on Dec. 16th and am now a 2nd Lt. in the Marine Corp. At the Quantico I am going to the Reserve Officers Class for 10 weeks for additional training before being assigned to active duty somewhere!

My address is:

Lt. Edw. A. Galickis
Co. B Bde. C 17th R.O.C.
Quantico, Va.

I would appreciate any letters!

Yours Truly,

Edw. A. Galickis
